

MHS Upper House
Class Offerings and Course Preferences 2010-2011

This form allows Upper House students at Millennium High School to indicate their preferred classes while fulfilling all graduation requirements. As an incoming junior or senior, you will use this request form to select your academic program for the 2010-11 school year.

Your completed form, with signatures from you, your advisor, and a parent, must be turned in to your advisor no later than Monday, June 14, 2010.

I have reviewed the course preference guidelines and completed the request form on the other side of this page. Although my choices are ranked in order of preference, I understand that my schedule will be based on academic requirements, programming (how students are placed in classes), and scheduling (how classes are placed in the overall school schedule).
