2024 - 2025 : Student Activity Fee

The **\$60 Student Activity Fee** supports supervised extracurricular activities such as our extensive afterschool clubs which can be found here: <https://www.millenniumhs.org/domain/492>.

Additionally, Millennium High School's Parent Association also subsidizes a portion of the costs so that we are able to keep this fee affordable, therefore allowing *all students* to participate no matter if they are unable to pay the suggested fee (see footnote below).

Other school-related fees, such as art class supplies, science lab and gym equipment fees, may be charged by these individual classes separately (see our complete general *School Supply List* at: <https://www.millenniumhs.org/domain/1575>).

Please complete this form and have your child give it to their advisor (the first week of school) with the fee enclosed in either cash or check made out to "*Millennium Tribeca HS PA.*"
