Student Government and Ethics Program at Millennium High School

Letter to Potential Representatives

Dear Student:

Thank you for your interest in the Student Government and Ethics Program (SGE) at Millennium High School. Attached is the application for the program, including a recommendation form to give to your advisor.

Both of these forms must be returned to Mr. McEvoy (or his mailbox) by **no later than 8:30 a.m. Tuesday, October 30th**. We will be considering applicants from all four grades and final decisions will be made by Friday, November 16.

The purpose of the Student Government and Ethics Program is to build school unity, promote student action and involvement, represent student interests, and create a supportive academic environment that helps all students succeed.

Becoming an SGE member requires a commitment to maintaining and improving the Millennium community. A commitment of your time and energy is also required. The program will meet every Wednesday during fourth (11:06 to 11:46 a.m.) and fifth (11:46 a.m. to 12:26 p.m.) periods. Proposed projects also require time and effort outside the Wednesday meeting time to complete. Before making the decision to apply, please consider this commitment carefully.

Please note that the application process includes review of written applications and group interviews. Interviews, scheduled for November 14, will be by invitation based on applicants' written responses and advisor recommendations.

Thank you for your interest in this important MHS program!

Sincerely,

Mr. McEvoy
